

Something good is beyond the time.

NEW LIFE STYLE

ENAMEL WEAR

History

-2005.7

"Shanghai Douglas Commodity Corporation" was established by "Shouhou Japan Corporation" in Shanghai, specializing in the production of enamel cookwares.

-2005.11

1ST enamel furnace was designed & constructed by "Japan Aicera Corporation". Carbon steel was imported from "NIPPON STEEL CORPORATION" and enamel frit was supplied from "Tomatec Fine Material".

-2006.1

commencement of commercial operation. 100% exported to Japanese market.

-2007.12

2ND enamel furnace was designed & constructed by "Japan Aicera Corporation".

-2008.1

expanding into the European market.

-2008.5

"21ST International Enamel Academic Conference" was opened in Shanghai and foreign enamel experts came to visit our factory.

-2009.12

Obtain Japan SG Factory Certificate.

-2010.4

Obtain National Registration of Trade Mark with "Che Buana".

-2010.12

Pass CQC ISO9001:2008.

-2010.12

"Shanghai Douglas Commodity Corporation" moved to Anji, Zhe Jiang province, change its name to "ShouHou ZheJiang Metal Corporation". The new Factory Area is 32,500 sq.meters. Over two times the size of Shanghai factory.

3RD enamel furnace was designed & constructed by "Japan Aicera Corporation" in the new factory in Anji.

-2011.1

commencement of commercial operation in the new factory in Anji.

expanding into American Market.

-2011.2

be the member of "Chinese Enamel Association".

-2011.8

Obtain Enamel Product Innovation Awards by "National Light Industry Association".

-2011.12

Pass CQC ISO9001:2008.

-2012.2

Obtain "A level" on "Anji Factory Production Safety Integrity" by Anji Government.

-2012.12

Cooperation with the Chinese Office of Japanese Sanrio.

-2013.3

Obtain "2012 Technology Innovation Awards" by "Anji MeiXi Government".

Following Products obtain "National Appearance Design Patent":

Tomato kettle, sauce pan, casserole; Orange kettle, sauce pan, casserole.

-2014.6

Obtain Japan SG Factory Certificate.

-2014.7

be the vice president of "Chinese Enamel Association".

-2015.1

Annually Output expanding to 3 million pieces (about US\$15,000,000) mainly exporting to Japan, Korea, Russia, UK, France, Australia and America.

Specializing in
production of enamel cookwares

ABOUT SHOUHOU

•ShouHou (ZHE JIANG)METAL PRODUCTS CO.,LTD established in Shanghai in 2006 as the wholly owned subsidiary of Japanese ShouHou Corporation and it was the the name of Shanghai Douglas Commodity CO.,LTD .At the end of 2010, it moved to AnJi ,ZheJiang and the name was changed. The new place covers over 32,500 square meters and over 200 employees. The sales amount is about US\$15,000,000 per year.

•ShouHou is a manufactory that specialize in high quality enamel cookware series such as casserole, kettles sets, sauce pan, soup pot, tea pot, cup, storage bowl etc. which are various pattern and innovative style. On Using Japanese Enamelling Steel, Japanese Frit & Japanese Enamelling Furnace, the high material quality and reliable goods quality win a good appraisal and public praise from domestic and oversea customers. Our production is according to ISO9001 : 2008 & Japan Safety Goods Organization (SG). And we have got some technicians from Japan. Many experts from oversea came to visit our factory during the 21st International Enamel Seminar.

•Our mainly markets are Japan、 Europe 、 Asia-Pacific etc. and domestic department stores, gift markets in our self brand "CheBuaNa".

•Cooperation with the Chinese Office of Japanese Sanrio starts from Dec. 2012.
